## Before You Register for Your Test

There are several steps in the test registration process. Once you begin, do not use your browser's Back button. Do not double-click on any field.

**• Review ID Requirements**  
All test takers must provide valid, acceptable identification (ID) documents to be admitted to a test center. Your ID requirements depend on your country of citizenship and where you plan to test. [Review ID requirements](#) for the country where you plan to test. If you cannot meet the ID requirements or have questions, contact the ETS Office of Testing Integrity (OTI) at [TSReturns@ets.org](mailto:TSReturns@ets.org) or 1-609-406-5430 before you register for a test. If you do not contact OTI and you do not have acceptable ID, your test fee will not be refunded.

**• Select a Test Center**  
Your choice of available testing sites will depend on your desired location.

**• Select Score Recipients**  
Your scores will automatically be available online approximately 10 days after your test date. You can select up to 4 free score recipients during the registration process. After you register for a test, you can add additional score recipients for a fee.

**• Answer Background Questions**  
You will be asked a few questions about your background. Your responses to these questions will be used for research purposes and for the TOEFL Search Service.
